Re: Charter Communications - Upcoming Changes

Dear Franchise Official:

Spectrum Mid-America, LLC ("Spectrum") continues to enhance our services to offer more entertainment and communication choices, and to deliver the best value to our customers. Like every business, periodically Spectrum reviews its pricing and makes occasional price adjustments.

Effective on or after August 5, 2025, pricing will **decrease** for the following unreturned equipment:

Unreturned Equipment	Pricing Adjustment
Digital Receivers	Will decrease from \$97.00 to \$60.00.

If you have any questions about this change, please feel free to contact me at (616) 607-2380.

Sincerely,

Derrick Mathis

Re: Upcoming Changes to Channel Line Up

Dear Franchise Official,

Spectrum Mid-America, LLC ("Spectrum") is notifying its customers of the following changes to the Vassar, MI channel line-up serving your community:

- On or after August 15, 2025, *HBO Family, ThrillerMAX, MovieMAX, and OuterMAX* is ceasing its service. This change is out of Spectrum's control. On August 15, 2025, the channels will be slated with, "Programming is no longer available."
- On or after July 31, 2025, Spectrum is contractually required to launch **Local Look Today**, channel 483.
- On or after July 17, 2025, Spectrum is contractually required to launch **One America News**, channel 687.
- On or after July 17, 2025, Spectrum is contractually required to launch **A Wealth of Entertainment (AWE)**, channel 128.
- Spectrum recently learned that *MAVTV* on channels 222 & 713 changed its name from *MAVTV* to **Racer Network** without advance notice to Spectrum. This change was out of Spectrum's control.

If you have any questions about these changes, please feel free to contact me at (616) 607-2380.

Sincerely,

Derrick Mathis

CITY OF CARO DOWNTOWN DEVELOPMENT AUTHORITY

June 11, 2025, at 12:00 p.m.
Council Chambers

Treasurer Sonya Otremba called the DDA meeting to order on June 11, 2025, at 12:01 p.m. in the Council Chambers.

Present: Treasurer Sonya Otremba, Secretary/DDA Assistant Paige Rushlo, Susan Holder, Charlotte Kish, Kristin Weaver, Bob Wolak, Thomas Bardwell

Absent: Chair Randy Whittaker, Vice-Chair Jessica Riskey, Greg Hollingsworth

Others: Scott Czasak – City Manager, Rita Papp – City Clerk, Karen Snider – Mayor

APPROVAL OF AGENDA

Motion by Holder, seconded by Kish to approve the agenda as presented.

Motion carried.

PUBLIC COMMENT – NONE

APPROVAL OF MINUTES – May 14th, 2025

Motion by Weaver, seconded by Holder to approve the minutes of May 14th, 2025 as presented.

Motion carried.

COMMUNICATIONS

1. Clover

Email received that the current terminal used to process SNAP benefits is aging out. Paige Rushlo – DDA Assistant spoke with Merchant Source regarding other options for terminals and processing software. A free POS will be awarded through MIFMA and another processing company is being considered that is offered without fees.

FINANCIAL REPORT – May 2025

Motion by Kish, seconded by Wolak to accept the Financial Report – May 2025 as presented
Motion carried.

NEW BUSINESS

1. Next Gen Budget Line

Paige Rushlo- DDA Assistant requested approval to adjust revenue and expense budget line for “Kids Club” by \$500, to include sponsorships from local businesses for the Next Gen Market.

Motion by Weaver, seconded by Wolak to approve Kids Club budget line adjustments by \$500 for the Next Gen Market with the understanding that DDA Assistant spends only the amount that is collected in revenue.

Motion carried.

2. DDA Office Building

Discussion took place regarding health and safety concerns from a strong odor at the DDA Office Building at 253 S. State St. Board will explore other options and report back at the next meeting

OLD BUSINESS

1. MIFMA Grant Stipend

Paige Rushlo- DDA Assistant presented more detailed information regarding MIFMA Food Safety Grant. Grant will be reimbursed up to \$700 after September 1st, 2025 and will also include a \$500 stipend to the Market Manager for completing the grant guidelines fully.

DDA ASSISTANT REPORT

1. Written report submitted.

COUNCIL LIAISON REPORT

Councilor Charlotte Kish reported that the City Council completed the 2025-2026 budget. Signed Busy Cleaning for cleaning services. Splash Pad is now open and Caro Parks & Recreation will be hosting a Foam Party July 5th at Bieth Park.

ADDITIONAL PUBLIC COMMENT- NONE

Motion by Holder, seconded by Kish, to adjourn the meeting at 12:38 p.m.

Motion carried.

Paige Rushlo
Downtown Development Authority Assistant

CARO POLICE DEPARTMENT 317 S. STATE STREET, CARO, MI 48723

Brian V. Newcomb, Chief of Police

NEW PATROL VEHICLES FOR CARO POLICE 2025-26

Per the Caro Police budget submitted and approved by the Caro City Council, the specifics of the leases are as follows.

BURT WATSON CHEVROLET

Contact Person/Fleet Leasing-Ben Spreeman

This is a lease turn-in and replacement of a 2022 Chevrolet 1500 Pickup Truck.

Replacement Vehicle/New Lease:

- 2026 Chevrolet 1500 Pickup Truck, Black in color,
- Lease annual payment=\$12,000
 - Lease incentive from General Motors=\$7,500 cash back or applied to annual lease payments
 - As promised, the return on the existing lease will also generate \$8,000-\$10,000 cash back to City of Caro based on existing value of returned pickup truck.
 - Total monetary benefit returned in either a cash payment or applied to the life of the new lease = \$17,500.
 - Decision to be made by Council and City Manager
- Cost of switch out by Great Lakes Public Safety= \$5,000
 - Utilizing existing components originally installed in 2022 Chevrolet lease vehicle.
 - To be installed in new lease 2026 Chevrolet Pickup

MOORE MOTORS

Contact Person/Mr. Moore or Heath Peters

This is the replacement vehicle for existing patrol vehicle 463, 2015 Ford Explorer with approximately 100,000 miles

Replacement Vehicle/New Lease

- 2026 Ford Explorer Interceptor PPV with road ready light and siren package installed by Ford Motor Company.
- Lease annual payment = \$12,007.45
- Cost of component installation
 - Emergency Lights and siren tower included
 - Existing mobile radio will be used and installed by Moore Motors
 - Existing security cage will be used and installed by Contracted installer used by Moore motors, cost minimal.
- Handling of sale of used patrol vehicle will be done by Moore Motors.
 - Sale proceeds to be applied to existing lease payments.

Morning Chief, I have that quote attached that we discussed yesterday. All in All, there's \$8200 in Rebates this go round and almost \$8 in equity from your current lease that help offset the price increases this go round, which will save you on this lease compared to your current one. Exactly what we planned on.

Quote is attached along with the Credit Application. I figured Rita may want to get working on that here in the next few weeks while you wait on approval. Quote is good through 8/22/26. My cell is on, give me a call if you have any questions.

Thanks,
Ben Spreeman

MEMORANDUM

TO: Caro City Council
FROM: City Manager Scott R. Czasak
DATE: Wednesday, July 30, 2025
RE: Agenda Item – Fire Department Bathroom Refresh

Members of the Caro City Council,

As you know, during the Fiscal Year 2025/2026 budget process the City Council designated \$20,000 to provide a facelift for the bathrooms in the Fire Department. This would involve replacing the fixtures, replacement of the tile floor, painting the walls, and other improvements.

As such, the job was placed out for proposals per City policy, including posting in the newspaper, and on our website. Additionally, the project was posted on BidNet. The city received 2 bids.

Company	Location	Proposed Cost
Great Lakes Bay Construction	Midland, MI	\$10,800.00
Wolgast Corporation	Saginaw, MI	\$26,906.39

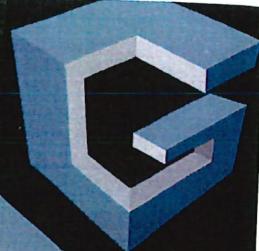

After a review of the bids, and the credentials of the bidders, it is the recommendation of DPW Superintendent Reese and myself to award the job to Great Lakes Bay Construction for the bid amount of \$10,800.00. While neither contractor is known to the City, a check of the references provided positive feedback for Great Lakes Bay Construction and as they are the lowest bidder and under budget, they are the recommended choice.

Options for motions are:

1. Motion to accept the proposal from Great Lakes Bay Construction to revitalize the Fire Department bathroom for the bid price of \$10,800.00 and authorize the City Manager to sign all required documents.
2. Motion to accept the proposal from Wolgast Corporation to revitalize the Fire Department bathroom for the bid price of \$26,906.39, authorize the City Manager to sign all required documents, and order the City Treasurer to adjust the budget to account for the additional expenses of the project.
3. Postpone action.
4. Take no action.

Prepared For:
CITY OF CARO
Attn: City Clerk
317 S State Street
Caro, MI 48723

For the Project:
FIREHALL BATHROOM
317 S State Street
Caro, MI 48723

Project Narrative: Refresh existing bathroom in the Fire Hall, new finishes and replacement of fixtures.

Division Scope of Work:

Division 01000 – General Requirements

- Provide full-time on-site supervision
- Provide project management
- Provide all required equipment (truck, fuel, dumpsters, etc.)
- Provide all required safety equipment & documentation
- Provide continuous construction cleaning throughout project
- Provide final construction clean-up upon completion

Division 02000 – Site Construction

- Provide demo of existing floor & removal of drywall for blocking

Division 06000 – Woods & Plastics

- Furnish & install wood blocking for new 18" grab bar
- Furnish & install (2) white shelves with white brackets

Division 09000 – Finishes

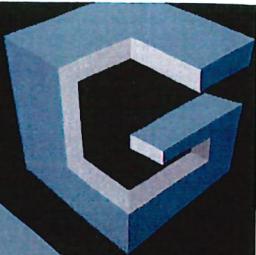

- Furnish, install & finish drywall patch for new blocking
- Provide drywall patching as needed
- Furnish & install new VCT flooring in a red & black checkerboard pattern
- Furnish & install new vinyl base
- Provide painting of existing door, walls & ceiling

Division 10000 – Specialties

- Furnish & install new grab bars & toilet paper holder
- Provide installation of owner supplied paper towel & soap dispensers
- Re-install mirror

Division 15400 – Plumbing

- Removal of existing toilet & lavatory sink
- Furnish & install new toilet & lavatory sink
- Furnish & install replacement base board register cover

Division 15700 – HVAC

- Furnish & install new bath fan connected to existing flex duct in ceiling

Division 16000 – Electrical

- Removal of existing 2x4 light fixture
- Furnish & install new LED 2x4 light fixture
- Furnish & install GFCI outlet to replace existing outlet by sink
- Provide power connection to new bath fan

Exclusions:

- Supply paper towel & soap dispensers
- Work in the shower
- New mirror
- Building permit
- Utility fees & upgrade charges (if applicable)
- Design requirements (if applicable)
- Overtime & off-hour work (if applicable)
- Winter conditions / inclement weather (if applicable)

Re: City of Caro - Fire Hall Bathroom Project

We propose a construction estimate for a lump sum total of: **\$26,906.39**

Please consider the following clarifications and qualifications with our Proposal.

Inclusions

- 1 Due to the volatile market, material pricing is subject to change.
- 2 Budget estimate based on City of Caro Advertisement for Bids: Department of Public Works Bathrooms Project.
- 3 2 week construction schedule. (Project to be complete by 9/30/25)
- 4 TRASH: Removal and disposal fees, dumpsters.
- 5 TEMPORARY UTILITIES: Cleaning and temporary toilets.
- 6 DEMO: Remove existing vinyl flooring.
- 7 ROUGH FRAMING CARPENTRY: materials and labor to add blocking as necessary.
- 8 CAULKING: Supply caulking at all dissimilar surface areas.
- 9 MISCELLANEOUS: Remove and reinstall restroom accessories including: grab bars, mirrors, tissue holders, trash units, soap / sanitizer dispensers, paper towel dispensers as necessary for construction.
- 10 ALL INTERIOR FINISH: Labor and materials included for new vinyl flooring and new wall / ceiling paint.
- 11 HVAC: Remove and replace exhaust fan with new in the same location.
- 12 PLUMBING: Remove and replace restroom lavatories, faucets and toilets in the same locations. (Existing shower to remain as is.)
- 13 ELECTRICAL: Remove and replace all light fixtures with new in the same locations. Furnish and install 1 occupancy sensor switch. Lighting included in price: 4-6" wafer cans, 1 Vanity light. (Vanity Light allowance included in total \$250.00) Provide power to new exhaust fan.

Exclusions

- 1 Building permits and plan review fees. Site permits and plan review fees. Soil Erosion permits.
- 2 Environmental studies and reports, and any work brought on by these reports.
Hazardous material (excavation, hauling and disposal, dewatering etc.)
- 3 All Utility connection, municipal tap, inspection and assessment fees and costs, including but not limited to; gas, electrical, water (including meter fees), sewers, MDOT, County Road.
- 4 Special inspections and testing (to be provided by Architect or owner per code 1704.2).
- 5 OWNER SUPPLIED - CONTRACTOR INSTALLED:
Existing restroom accessories including: grab bars, mirrors, tissue holders, napkin dispensers and trash units to be removed and reinstalled.
- 6 ADA requirements. A licensed architect would be responsible for compliance.
- 7 Verification of existing dimensions, material, construction, electrical systems, plumbing systems, mechanical systems before bid. Unknown information not identified within the bid packet will constitute an additional monetary charge.
- 8 HVAC: None included unless otherwise noted.

TO: Caro City Council
FROM: City Manager Scott R. Czasak
DATE: Wednesday, July 30, 2025
RE: Agenda Item – DPW Bathroom Renovations

Members of the Caro City Council,

As you know, during the Fiscal Year 2025/2026 budget process the City Council designated \$150,000 to renovate the bathrooms in the Department of Public Works building. This would involve replacing the fixtures, replacing the showers, repairing the pipe issues beneath the floor, replacing the tile floor, painting the walls, and other improvements.

As such, the job was placed out for proposals per City policy, including posting in the newspaper, and on our website. Additionally, the project was posted on BidNet. The city received 2 bids.

Company	Location	Proposed Cost
Great Lakes Bay Construction	Midland, MI	\$83,800.00
Wolgast Corporation	Saginaw, MI	\$108,328.42

After a review of the bids, and the credentials of the bidders, it is the recommendation of DPW Superintendent Reese and myself to award the job to Great Lakes Bay Construction for the bid amount of \$83,800.00. While neither contractor is known to the City, a check of the references provided positive feedback for Great Lakes Bay Construction and as they are the lowest bidder and under budget, they are the recommended choice.

Options for motions are:

1. Motion to accept the proposal from Great Lakes Bay Construction to revitalize the Fire Department bathroom for the bid price of \$83,800.00 and authorize the City Manager to sign all required documents.
2. Motion to accept the proposal from Wolgast Corporation to revitalize the Fire Department bathroom for the bid price of \$108,328.42 and authorize the City Manager to sign all required documents.
3. Postpone action.
4. Take no action.

Re: City of Caro - Department of Public Works Bathroom Project

We propose a construction estimate for a lump sum total of: **\$108,328.41**

Please consider the following clarifications and qualifications with our Proposal.

Inclusions

- 1 Due to the volatile market, material pricing is subject to change.
- 2 Budget estimate based on City of Caro Advertisement for Bids: Department of Public Works Bathrooms Project.
- 3 4 week construction schedule. (Project to be complete by 11/30/25)
- 4 TRASH: Removal and disposal fees, dumpsters.
- 5 TEMPORARY UTILITIES: Cleaning and temporary toilets.
- 6 DEMO: Remove existing floor tile and FRP wall finish. Sawcut, demo, load and haul concrete floor for plumbing work.
- 7 ROUGH FRAMING CARPENTRY: materials and labor to add blocking as necessary.
- 8 CAULKING: Supply caulking at all dissimilar surface areas.
- 9 MISCELLANEOUS: Provide and install new partitions with (1) ADA stall, and (1) typical stall. Remove and reinstall restroom accessories including: grab bars, mirrors, tissue holders, trash units, soap / sanitizer dispensers, paper towel dispensers and lockers as necessary for construction.
- 10 ALL INTERIOR FINISH: Labor and materials included for minor floor preparation, new floor tile (\$5 allowance per square foot, and \$5 allowance per piece of base tile), new FRP with plywood backer, new wall / ceiling paint, and new vinyl stipple ceiling tile. (Existing wall tile to remain.)

Tile Alterantes

To further alleviate drainage issues, the tile contractor recommends depressing the shower floors 2", installing two Kerdi drains and Kerdi fabric, which would allow us to warranty a properly draining shower floor, ADD: \$2,455.00

Wall Tile replacement within the shower enclosures, (mens and womens) and continuing the waterproofing up the walls. Includes a \$5 allowance per sf for the shower wall tile. This would provide a complete Schluter waterproof warranty in the shower, ADD: \$10,421.00

Demo existing wall tile, and replace cement board in preparation for new wall tile, ADD: \$31 per sf.

- 11 HVAC: Remove and replace exhaust fans with new in the same locations.
- 12 PLUMBING: Remove and replace restroom lavatories, faucets, toilets, urinals and shower heads in the same locations. (Eliminate two of the four existing shower heads and associated fixtures. Cut and cap plumbing lines as necessary.) Inspect existing sanitary sewer lines to assess drainage issues. (Includes jetting of drains after construction to clear out any construction debris.) Repair / replace floor drains as required. Repair underground piping as necessary within the men's restroom.

Plumbing Alterantes

Supply and install (4) new shower systems if requested / required, ADD \$8,250 (\$2,062.50 each) If women's restroom needs full replacement of underground piping, ADD: \$4,500

- 13 ELECTRICAL: Remove and replace all light fixtures with new 2x4 LED Flat panel fixtures in the same locations. Furnish and install 2 total occupancy sensors. Provide power to exhaust fans.

Exclusions

- 1 Building permits and plan review fees. Site permits and plan review fees. Soil Erosion permits.
- 2 Environmental studies and reports, and any work brought on by these reports.
- 3 Hazardous material (excavation, hauling and disposal, dewatering etc.)
- 4 All Utility connection, municipal tap, inspection and assessment fees and costs, including but not limited to; gas, electrical, water (including meter fees), sewers, MDOT, County Road.
- 5 Special inspections and testing (to be provided by Architect or owner per code 1704.2).

MEMORANDUM

TO: Caro City Council
FROM: City Manager Scott R. Czasak
DATE: Wednesday, July 30, 2025
RE: Agenda Item – Well 3A Hydrogeological Investigation Bids

Members of the Caro City Council,

As you know, during the Fiscal Year 2025/2026 budget process the City Council devoted funds towards the possible development of a replacement well at the former location of Well 3, off of Gun Club Road. The initial part of this process is to do a hydrogeological investigation to develop a work plan to submit to the Michigan Department of Environment, Great Lakes, and Energy (EGLE). As such, a request for proposals was placed to solicit a contractor for this purpose.

As such, the job was placed out for proposals per City policy, including posting in the newspaper, and on our website. Additionally, the project was posted on BidNet. The city received 1 bid from WSP USA Inc of Novi, MI to do the investigation for a total of \$5,610.00. Overall, \$200,000.00 was budgeted for this process, and this is the first initial step of a multi-step process in order to explore this as a potential well site. WSP USA was our consultant on the Well 9 process we engaged with in the last year, so we are familiar with them and have been satisfied with their work during this ongoing process of exploring to expand our well capacity.

Options for motions are:

1. Motion to accept the proposal from WSP USA, Inc to conduct a hydrogeological investigation and develop a work plan for EGLE for the proposed price of \$5,610.00 and authorize the City Manager to sign all required documents.
2. Motion to instruct the City Manager to rebid the project.
3. Postpone action.
4. Take no action.

WSP USA, Inc.

46850 Magellan Drive, Suite 190

Novi, MI 48377

Re: City of Caro
Request for Proposals
Well 3A Development
South of Gun Club Road
Caro, Michigan

Dear Mr. Czasak:

WSP USA, Inc. (WSP), formerly Wood Environment & Infrastructure Solutions, Inc. (Wood) is pleased to present this Scope of Services and corresponding Professional Services Fee Estimate to complete initial due diligence relating to a proposed water supply well which is proposed to be located south of Gun Club Road, in Caro, Michigan (Subject Site). Following a successful outcome to this initial due diligence a hydrogeological investigation to pursue a new water supply source would be necessary.

The proposed scope of work (SOW) is based on a Request for Proposal (RFP) from the City of Caro (Caro) to replace existing production Well 3A's capacity of 180 gallons per minute (gpm) and to find additional capacity in the range of 180 to 400 gpm. Local hydrogeologic conditions, well isolation requirements, as well as quantity/volume, and water quality will need to be considered in the pursuit of this water supply. The following proposed Scope of Work has been requested to assist Caro in pursuing additional water supply capacity.

Task One – As part of the initial due diligence, an initial well site screening would be completed which will include a review of available hydrogeologic information, known sites of contamination listings, and potential for an adverse resource impact (ARI).

Task Two – Prepare a Work Plan for completing on-site hydrogeologic activities for submittal to the Michigan Department of Environment, Great Lakes & Energy (EGLE).

SCOPE OF SERVICES

A quotation for the following Scope of Services is provided below:

Task 1 - Hydrogeologic Review and Development of a Workplan

- Review of available hydrogeologic information, including the following:
 - Type I water well records for the Caro's existing wells.

- Available water well records for the Subject Area and proximate area
- Geologic and hydrologic information obtainable from EGLE's GeoWebFace¹ online GIS database.
- Available Type I and II water supply reports for the Subject Area and proximate area
- Prepare a Contaminant Source Inventory (CSI) of the area in proximity to the Subject Area
- Complete a preliminary ARI assessment using EGLE's online Water Withdrawal Assessment Tool (WWAT).
- Attend an on-Site meeting at the Subject Site to review the physical setting and discuss the outcome of the above outlined items with Caro and its engineer.

Initiation of Task 2 would depend on the successful outcome of Task 1 activities.

Task 2 – Prepare Work Plan and Drilling Contractor Specifications

- Prepare for and attend an on-Site meeting with EGLE to discuss a Work Plan.
- Prepare and submit a Work Plan to EGLE, including any potential isolation issues, if applicable.
- Prepare a Work Plan that outlines the site investigations necessary for the evaluation of the anticipated water supply.
- Seek EGLE's approval of the Work Plan.
- Develop drilling contractor bid specifications.
- Assist with water well drilling contractor review, scheduling, and procurement.

PROFESSIONAL FEES

WSP's estimated budget to complete the Scope of Services presented herein is \$5,610. WSP made certain assumptions in the preparation of this proposal. These assumptions include the following items:

- Tasks 1 and 2 meetings will be held at Subject Site.
- Schedule is not adversely affected by governmental orders, reviews, or availability.
- If services outside of those outlined above are necessary, WSP will discuss those with you and will not proceed without prior authorization from Caro.

PROJECT SCHEDULE, EXPERIENCE AND REFERENCES

WSP proposes the following schedule for this project, assuming an award by August 5, 2025.

Task	Business Days After Award	Corresponding Month
Task One	15 - 45	August - September 2025
Task Two	30 - 90	September – November 2025

¹ GeoWebFace is an on-line GIS database managed by EGLE that contains a wide variety of environmental and geological information regarding Michigan. Information in the database link to Michigan's Wellogic Database that provides information regarding water wells completed across the state.

Project descriptions, which provide an overview of WSP's experience and references are attached to this Bid. WSP's project leaders for this work will be Mr. Mark Sweatman and Robin DeWyre, both of whom are Certified Professional Geologists with over 70 years of combined experience with the siting and successful development of municipal well sites.

If this Bid is acceptable, please sign the attached Authorization and return a copy to WSP. Work will be performed in accordance with our existing agreed upon Standard Terms & Conditions from July 14, 2022, along with the attached Fee Schedule for Professional Services. We are available to answer any questions that arise and look forward to providing you with assistance with this project.

Sincerely,

WSP USA, Inc.

Robin S. DeWyre, CPG
Vice President Geologist/Group Leader

MEMORANDUM

TO: Caro City Council
FROM: City Manager Scott R. Czasak
DATE: Wednesday, July 30, 2025
RE: Agenda Item – Dump Truck Bed

Members of the Caro City Council,

As you know, during the Fiscal Year 2025/2026 budget process the City Council designated \$30,000 to replace one of the dump boxes for the dump trucks at DPW due to the general state of disrepair of the current box.

As such, DPW Superintendent Reese solicited prices from available dealers, and received 2 quotes:

Company	Location	Proposed Cost
Shults Equipment, LLC	Ithaca, MI	\$35,750.00
STE Truck	Almont, MI	\$18,745.00

After a review of the quotes, it is the recommendation to purchase the dump box from STE Truck as it is not only the lowest quote, but they currently state they can deliver the box by the end of this calendar year, whereas Shults has a stated 2 year wait period.

Options for motions are:

1. Motion to purchase and install a dump box from STE Truck for the quoted price of \$18,745.00.
2. Motion to purchase and install a dump box from Shults Equipment, LLC for the quoted price of \$35,750.00 and instruct the City Treasurer to adjust the Fiscal Year 2025/2026 budget to account for the cost above budget.
3. Postpone action.
4. Take no action.

Shults Equipment, LLC.

P.O. Box 127
Ithaca, MI 48847

July 29, 2025

To: City of Caro
Attn: Tom

We would like to quote the following replacement dump body for your consideration:

Install a new Galion dump body

Manufactured of 7 gauge carbon steel
26" side height
36" tailgate height
1/4" AR450 floor
Smooth crossmemberless understructure
Stainless steel 10" tall longsills
Body to have integral cab shield at proper height
Air operated tailgate
Built to fit existing Galion U850 underbody scissor style hoist
Three oval hole stainless steel light boxes on rear corner posts
Body painted to match cab as best as possible

Tarp Assembly

Roll Rite Electric Tarp System
Aluminum tarp housing
3-spring pivot arms
Aluminum tarp and tension bows
14' premium mesh tarp

Lights and Electrical

- (1) Whelen Responder mini-light bar with LED amber/green strobes will be installed on the top center of cab Shield. Protected by a stainless steel brush guard
- (2) Whelen 500 series oval LED amber/green strobes mounted in center holes of rear corner posts
- (4) Maxxima Hybrid LED oval s/t/t/back-up lights mounted in top and bottom holes of rear corner posts
- (4) LED 2,000 lumen LED heated work lights mounted at rear for spreader and for scraper

New junction box mounted at rear for all body wiring
New back-up alarm

Total price for one (1) unit: \$ 35,750.00

Current lead time: Approx. 2 years from order date.
Prices firm for 30 days.
F.O.B.: Ithaca, MI
Terms: Net 30 days.

Thank you for the opportunity to be of service.

Shults Equipment, LLC.

CITY COUNCIL
EMILY CAMPBELL
VACANT
CHARLOTTE KISH
DOREEN OEDY
HEIDI PARKER
JILL WHITE

TO: City Council
FROM: Karen Snider – Mayor
SUBJECT: Mayor's Report
DATE: August 4, 2025

I will be attending the 2025 Michigan Association of Mayors Summer Workshop in Portage, MI August 6-8. This year's program will include sessions on current legislative issues, creating age-friendly communities, emergency preparedness and response planning, water and infrastructure grants, affordable housing and more.

I attended the Caro Rotary meeting on July 21, 2025. Our speaker was Nancy Cook from Victim's Services, Tuscola County. The services provide support and advocacy for victims of domestic violence, sexual assaults or any crime. They can be reached at 420 Court Street, Caro, MI or call 989-673-8161 (Ext. 2241). They can also direct those in need of other resources.

My past week consisted of a lot of trips to the Fairgrounds. I attended the horse races and rodeo. It was so much fun to watch the young children ride the sheep. The attendance was huge, and the food was great.

I visited the Farmer's Market and purchased some produce. Great attendance.

On July 28, 2025, I had the honor of meeting our new District Governor, Paul Wiese and Assistant Governor, Debra Kranz at the Caro Rotary. Governor Wiese gave a presentation leading us into the current Rotary year of 2025-26.

I attended the Tuscola County Economic Development Corporation (EDC) meeting on July 19, 2025. Alisha Proctor, TEDC Director gave a report regarding the events she attended in July.

A big thank you to State Representative Matthew Bierlein who strongly supported and passed a bipartisan plan that would create the Michigan Public Safety Trust Fund. This generates state dollars that would go directly to local police departments that will put more police on the street, update equipment and reduce violent crime.

As I stated before, more excitement comes with the next three buildings in the City of Caro that will be receiving new murals. This is all possible as a result of Caro Rotary Club's Cultivate Creativity Committee led by Erin Schmandt. A big thank you to all that took place in making this project successful. The remaining three buildings are Thumb Meat Market, the building that houses Back Alley Fibers and Merchant Building No. 2 at the fairgrounds.

MEMORANDUM

TO: Caro City Council
FROM: City Manager Scott R. Czasak
DATE: Wednesday, July 30, 2025
RE: City Manager's Report

Members of the Caro City Council,

As fast as it arrived, Fair Week has ended here in Caro, and I would like to congratulate the Fair Board on another successful Tuscola County Fair, once again my family came up from Macomb County to enjoy the fair and if the level of exhaustion from my nephews at the end of the day is any indication a good time was had by all.

As I reported at the last meeting, I attended the Michigan Municipal Executive's Summer Workshop last week in Mt. Pleasant. It is always good to get together with fellow managers and compare notes on what is going on in the Manager business. I was sadly not surprised to learn that Caro is not the only community having issues this summer with vandalism at recreational facilities. We sometimes think our problems are unique to Caro but are actually part of a larger degradation of respect for public resources and a general decline in community pride in some. I can't say there is a one size fits all solution to the issue but I know no one is ready to give up.

In addition to my usual meetings with staff, residents, business interests, and Rotary attendance I have been out with DPW Superintendent Reese on a weekly basis looking over the ongoing projects in the City. The sidewalk project should be done this week, thanks to a couple weather related delays, the installation of equipment to have cameras at Chippewa Landing is complete and we await final hookup of the fiber internet connection at the Wastewater Plant, and the Wastewater projects continue to move forward.

Looking forward, we still have another month of summer to look forward to until Labor Day rolls around and school goes back into session. It seems like just yesterday the temperatures began to rise to indicate summer, but we know we need to soak every moment in. We still have many summer activities planned through the Parks and Recreation Department including Movies in the Park, Music in the Park, drop-in play dates, and early planning has already begun for the second annual Harvest on the River!

Enjoy August here in Caro!
